Teste de Einstein Problema de Lógica

Albert Einstein criou, supostamente, este teste de lógica no século XX e afirmou que 98% da população mundial não seria capaz de resolvê-lo. Use o seu raciocínio lógico e faça o possível para resolver o famoso Teste de QI de Einstein.

COR

Nacionalidade: amarela azul vermelha verde branca
 Bebida: norueguês dinamarquês inglês alemão sueco
 Cigarro: água chá leite café cerveja
 Animal: Durhill Blends Pall Mall Prince Blue Master
gatos cavalos pássaros pauzes cachorros
